

**DYNAMIC**[®]North America's #1 Brand of Paintware[®]

June 22 2011

We are delighted to have partnered with Roger Caesar and his company, Caesar Transport Inc., for many years. Besides the ability to supply the services to support our day to day requirements, Roger and his team continues to efficiently respond to changing business requests as they occur. They can be counted on to ensure any challenges and expectations are met to our approval and responds professionally should opportunities arise to better our operations. Caesar Transport Inc. has also been a large support through different corporate initiatives we have, such as sponsorship for our company events. In short, there is no stronger partner than Roger, and Caesar Transport Inc., when it comes to our local cartage needs.

Sincerely,

Deryk Jang
